PIONEER LED FLOOD LIGHT

30-70w
3450 lm-8050lm

LUXEON
BY PHILIPS LUMILEDS

- **115 lm/w** system efficiency, **40%** higher than industrial average level.
- Philips luxeon M chip, up to **150lm/w,** highest efficiency and stability in industry.
- High reliable driver with complete certificates, **UL, CSA, CE, GS, SAA, PSE.**
- Low failure rate, special design for easy maintenance.
- Worldwide Local technology and service support, quick response.
